The California School for the Deaf, Riverside (CSDR) takes part in the National School Lunch and School Breakfast Programs. The meal programs at CSDR are supported by the federal and State money. Meals are served at no charge to each child every school day. CSDR is able to provide meals free to all students solely because parents submit Meal Applications.

Your Meal Application was mailed to you recently. You may also get the application and instructions by clicking on the links below. Please continue to support our school by completing and returning your Meal Application to CSDR Nutrition Services as soon as possible.
